Miss Pond

Miss Pond, I'll sure miss you  
next year. You are  
one of my favorite teachers,  
but I don't think of you  
as a teacher. I think of me  
when you try to get the  
class to pitch. Get the  
Love, Emily

Dear Miss Pond,  
I have enjoyed having  
you as my music teacher.  
Remember all the fun we had  
at Green Lake. Maybe we  
both will make it up there  
again. Lots of happiness  
in the future.

Danna Sanborn

Miss Pond:  
It has been a pleasure  
being at cedar, with you  
Remember the Pop Club trips.  
Best of Luck in the future  
Be good to Bob. Remember  
us Bettys have to be good to  
these Bobs. Good Luck,  
Betty King

I'll be giving lessons (violin or theory) next summer and my fee is a dollar - if you'll just take a few lessons I think you'll make it next year. Seriously, you're a swell buddy and it's certainly been a pleasure working with you and many thanks to you for your assistance in getting me started at S.H.S. I'm looking forward to working as a partner with you next year. Now stay out of trouble this summer because I haven't saved up much bail money - n.y.c.c.

## Band

This year we feel we are very fortunate to have our band under the able direction of Morton C. Cuplin.

According to Mr. Cuplin, the educational objective of band are two fold. First, the development of knowledge and skills, which is disciplinary training and the fundamentals of music itself. Second, the development of ideals, both musical and moral, develops appreciation of good music and one's emotions as well as social values.
